

PRODUCT INFORMATION

EV3881 and EV3882

Cytokine Custom X Investigator kit and Cytokine Custom X Control Kit

Evidence Investigator

Our Calibrator assignment has been updated. In line with this, we recommend that these Investigator and control batches are used together going forward.

For any further advice or queries, please contact Technical.Services@Randox.com

Kit Type	Cat Number	Batch Number onwards	Use Control Kit	Use INV kit
Investigator	EV3881	3826 (Cals 18714-18722EV) onwards	EV3882 4057(18723-18725EV) onwards	N/A
Control Kit	EV3882	4057 (18723-18725EV) onwards	N/A	EV3881 3862 (Cals 18714-18722EV) onwards
